Community Corner

Stronger Together. Better Together.

Our Community is the heart of everything we do.

Whether you're volunteering your time, sharing resources, or simply showing up for someone who needs it - you're making a difference.

Get Involved

There are many ways to support our mission.

Our booth was honored to welcome Eritrean singer Jemal Romodan, who stopped by to learn more about the Tombossa B Foundation and show his support for our mission.

Celebrating Community at the Eritrean Festival

The Tombossa B Foundation was proud to be part of this year's Eritrean Festival, celebrating our culture while connecting with members of our community. Our incredible team came together to share the mission of the foundation and raise awareness about the resources we provide, including educational scholarships, mental health support, and community initiatives.

We are especially grateful to everyone who stopped by our booth, learned more about our work, and contributed to our mission. Thanks to the generosity of our community, we were able to raise meaningful donations that will help us continue creating opportunities and supporting East African youth and families. We are so thankful to everyone who helped make the day a success!

A Note From Our Foundation

Some forms of support are loud. Others are quiet, consistent, and deeply needed. This month, we're focusing on the small skills and moments that often get overlooked—but make a lasting difference in mental health, learning, and connection.

We hope something here feels useful to you.

Upcoming Events & Programs Calendar

Here is a detailed look at our upcoming schedule. We invite you to join us!!

**NOV.
